International Training Course Netherlands Museum Association, Amsterdam

CALL FOR APPLICATIONS

In the next years NEMO offers a wide range of activities for its members. The leading principle is to empower NEMO's members, the national museum organisations, and help them professionalize their work through exchanging and discussing with their colleagues from other countries.

The International Training Courses are free of costs for NEMO members after a successful application.

NEMO covers expenses for travel and accommodation (max. 2 nights) for 8 participants for each training course. Participants have to arrange their own travel and accommodation.

The aim of the **training course** is to build on the capacity of museum organisation staff members through condensed training sessions on aspects of staff related issues from an association's perspective.
